## FOR A RESPONSIBLE LIQUOR INDUSTRY

The **NEW 2024 North American ID Checking Guide** and **15<sup>th</sup> Edition International ID Checking Guide** are now available for ordering through ABLE BC.

The ID Checking Guides help you and your staff make accurate, on-the-spot verification of driver's licenses and ID cards – your best protection against ID fraud. These books also help ensure you are kept updated on the latest versions of all ID formats.

### Frequently Asked Questions:

**Q: Have there been any changes to the USA/Canada Edition since 2023?**

**A:** Yes, the **2024 North American Guide has dozens of changes**, including new licenses, older formats dropped off, and changed details on existing licenses.

The guide includes all valid US and Canadian licenses and ID cards. Each license is shown in full colour and actual size, and is described in a concise, thorough, and standardized format. UV images for 48 selected current format driver's licenses are shown. Key fraudulent ID indicators are covered, and federal documents are also shown.

**Q: Have there been any changes to the International Edition since 2023?**

**No**, the **15<sup>th</sup> International Edition has not been updated since 2022 but it is valid through 2024**. Dozens of new documents have been added to the 15<sup>th</sup> Edition and older outdated license formats removed. The 15<sup>th</sup> Edition International Guide covers driver's licenses and ID cards from 175 countries and includes more than 570 official documents.

See descriptions of the details that help you determine validity, like tactile type, smart chips, and national emblems and seals, as well as security features like holograms, microprinting, and UV images.

**Q: Why do I need a North American Edition *and* an International Edition?**

**A:** The North American and International ID Checking Guides are *two separate* books. ID coverage no longer stops at the border. The International Edition includes 600 Driver's Licenses and ID cards for 175 countries (360 pages). The International Edition allows you and your staff to pinpoint the *exact location* of birth date, expiration date, and issue date – even if you can't read the language.
