

Dear ABLE BC Members,

VI Banking ATM is extremely honoured and excited about our new partnership with the [Alliance of Beverage Licensees](#) (ABLE BC) as the Alliance's preferred ATM supplier.

ABLE BC's Team has worked extensively in negotiating this agreement with VI Banking – what we at VI Banking believe to be the best ATM agreement in Canada.

ABLE BC is committed to bringing its members the best services, products, and providers to its membership. This commitment was a driving force in negotiating this ATM agreement, exclusively designed for ABLE BC Members.

Our goal is for ABLE BC Members to maximize their revenue stream, and to minimize or eliminate any and all risk to the merchant. This agreement is only available to you and will not be offered to another sector or non-ABLE BC member, ever.

The pre-negotiated ATM agreement consists of:

- 1) All ATMs are new 2014-15 models
- 2) All agreements are “day-to-day.” You are never stuck in agreement that is 5+ years with auto-rollovers, or right of first refusals. Agreements are one easy-to-read page.
- 3) No cancellation fees or charges. All we require is 48 hours notice and your ATM will be removed. There are no install or removal fees, for any reason.
- 4) No maintenance or upgrades fees or charge (except vandalism). All service is done within 5 hours, 7 days a week, 365 days a year, from 7 am to 9 pm, within the Lower Mainland and southern Vancouver Island. All other regions receive service within 24 hours.
- 5) Complimentary ATM paper
- 6) No deposit or processing fees ever!
- 7) ABLE BC members get 100% of the ATM surcharge, no matter what you set the surcharge at. VI Banking will never raise your surcharge. Please ask for more details.
- 8) No communication (internet) costs to you. Please call for more information.
- 9) We process more cards than other providers from more card issuers globally.
